

FELLOWSHIPS UNDER INDO SWISS JOINT RESEARCH PROGRAMME

The Indo Swiss Joint Research Programme (ISJRP) is offering a second round of exchange grants for research visits (<http://indo-swiss.epfl.ch/>).

Types of grants:

- A) Research Fellowship Grants (<http://indo-swiss.epfl.ch/page31913.html>) enable Ph.D. students and post-doctoral researchers from Switzerland and India to conduct research in the counterpart country.

Application deadline: November 30, 2008

- B) Joint Utilisation of Advanced Facilities Grants (<http://indo-swiss.epfl.ch/page31885.html>) are intended for Swiss and Indian faculty who wish to visit a laboratory, department or an institute of the counterpart country in order to utilise specialised equipment, facilities, resources, libraries and/or databases.

Application deadline: November 30, 2008

Interested faculty members and students may go through details in web-sites and apply.
